## Well Sealing Permit Application

Contact Olmsted County Inspections Division prior to beginning work on-site. A licensed contractor prior to obtaining a well sealing permit may remove the well pump to determine the depth and condition of the well.

Olmsted County previously permitted 5 or more wells at this site

### Application & location information

Contractor	Name:	Phone:
	Address:	Cell:
	E-mail:	License Number:
Property Owner	Name:	Phone:
	Mailing Address:	
	E-mail:	
Well Owner (If different than property owner)	Name:	Phone:
	Mailing Address:	
	E-mail:	

### Legal description of well location

Attach a site map showing well location(s). Identify property lines, buildings, roads, intersections, and other structures. Reference distances from the nearest landmark. Use a separate application form if H-series have different parcel numbers.

Township	Range	Section	Quarter Quarter Quarter	Depth	H-Series	Unique Number

Well Address: \_\_\_\_\_ Parcel Number: \_\_\_\_\_

Site Address: \_\_\_\_\_ Site Name: \_\_\_\_\_

**Use or type of well**

Dewatering                      Domestic drinking water                      Environmental Bore Hole                      Industrial

Irrigation                      Monitoring                      Noncommunity public water supply

Nontransient, noncommunity public water supply

Recovery/remedial                      Temporary monitoring

**Well condition**

Submit a sealing plan if you answer yes to any of the following questions:
