Resolution No. 2020-11

RESOLUTION CONFIRMING THE LONG RANGE TRANSPORTATION PLAN AS BEING CURRENTLY HELD VALID

WHEREAS, the U.S. Department of Transportation requires that the Metropolitan Planning Organization (MPO) designated with the authority to carry out metropolitan transportation planning in a given urbanized area shall prepare a transportation plan for that area; and

WHEREAS, the U.S. Department of Transportation further requires that the MPO annually review this transportation plan, and confirm that it is currently held valid and consistent with current transportation and land use issues; and

WHEREAS, the Rochester-Olmsted Council of Governments (ROCOG) has been designated by the Governor of the State of Minnesota as the MPO for the Rochester-Olmsted metropolitan area; and

WHEREAS, ROCOG adopted its Short and Long Range Metropolitan Transportation Plan, *2045 LRTP*, in September 2020; and

WHEREAS, *2045 LRTP* includes a transportation systems management element, a short-range transportation element, and a long-range element providing for the transportation needs of the urbanized area; and

WHEREAS, the Transportation Technical Advisory Committee of ROCOG recommends that *2045 LRTP* be considered valid and consistent with current transportation and land use issues;

NOW, THEREFORE, BE IT RESOLVED, that the ROCOG Policy Board certifies that *2045 LRTP* is currently held valid and consistent with current transportation and land use considerations.

Upon motion by Mr. Keane, seconded by Wright, this 23rd day of September 2020.

Table of Contents

1 • Introduction & Plan Development.....	1.1
Overview/Summary	1.1
Introduction	1.2
Influences Shaping the Future.....	1.4
ROCOG Organization.....	1.6
Study Area and Time Horizon of the Plan	1.8
History of ROCOG Long Range Plan Updates	1.8
Federal/ROCOG Plan Goals.....	1.8
Plan Organization	1.13
2 • Planning Area Profile.....	2.1
Overview/Summary	2.1
Introduction	2.3
Population.....	2.4
Households	2.8
Social and Economic Characteristics Influencing Transportation Needs.....	2.11
Employment.....	2.14
Labor Force/Commuting.....	2.18
Economy.....	2.23
Retail Sales	2.24

Coordination with Land Use and Economic Development Plans	2.25
3 • Today's Transportation System	3.1
Overview.....	3.1
ROCOG Area Roadway Network.....	3.2
Roadway Classification.....	3.4
Roadway System Conditions.....	3.9
Bridge Conditions	3.15
Vehicle Miles of Travel	3.18
Public Transit Ridership and Operating Cost	3.23
Freight.....	3.30
Bicycle and Pedestrian Facilities.....	3.33
Journey to Work	3.36
4 • The Land Use/Transportation Connection	4.1
Introduction	4.1
Context for Land Use and Transportation Integration.....	4.4
Key Tools for Achieving a Balanced Land Use/Transportation Development Pattern	4.5
Planning for Integrated Land Use and Transportation	4.9
Integrated Solutions to Other Issues.....	4.24
Concluding Thought: Focus on Moving PEOPLE, Not VEHICLES	4.33
5 • Drawing from Other Plans	5.1
Overview/Summary	5.1
Statewide and District Plans	5.1

Local Transportation & Land Use Plans	5.5
ROCOG Area Future Land Use Plans.....	5.10
6 • Public & Agency Involvement.....	6.1
Overview/Summary	6.1
Public Involvement in Developing This Plan.....	6.1
Major Outreach Efforts.....	6.5
Results of Outreach	6.9
7 • Safety and Security Planning	7.1
Overview/Summary	7.1
A Hierarchy of Plans Guiding Safety Planning and Programming	7.2
MnDOT District 6 Highway Safety Plan.....	7.8
Olmsted County Highway Safety Plan.....	7.11
