For questions related to your curbside collection service, contact your waste hauler.

Never In Your Cart

(This is not an inclusive list.)

The items below are not acceptable in your curbside recycling cart. However, some of them can and should be recycled. For example, rechargeable batteries are considered hazardous waste and should be brought to the Olmsted County Hazardous Waste Facility. TVs, computers, and other electronic items should be brought to the Recycling Center Plus.

Visit olmstedwaste.com and enter items into the Waste Wizard for disposal or recycling instructions.

Plastic Bags

Batteries

Tanglers

- Hoses
- Cords
- Wires

Electronics

Shredded Paper

Food Waste

Foam Containers & Packaging
