

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
STATE AGENCY PROJECTS		

Administration

Capitol Complex Parking Fund Debt Relief

General Fund Cash 13,000

The Governor recommends a permanent waiver of user financing for the repayment of debt service for Ramp F, a parking facility west of the Transportation Building on the Capitol Complex. The impact of this request is \$1,085,227 annually to the general fund in FY 2023 through FY 2034, or about \$13 million over 12 years. This would provide financial relief to the Department of Administration's parking fund.

Ford Building Demolition Phase I

General Obligation Bonds 3,626

The Governor recommends \$3.626 million for the demolition of the Ford Building and site work necessary for future development. The Ford Building has been vacant since 2004 and is in critical condition, according to the department's facility condition assessment. This project will address safety hazards and allow the site to be repurposed to meet state facility needs.

Capital Asset Preservation and Replacement Account (CAPRA)

General Obligation Bonds 7,500

The Governor recommends \$7.5 million to fund the Capital Asset Preservation and Replacement Account (CAPRA). This account is for emergency repairs and unanticipated hazardous material abatement needs for state owned facilities.

State Building Energy Conservation Revolving Loan Fund

General Fund Cash 10,000

The Governor recommends \$10 million to expand a revolving loan fund from which the Department of Administration will lend funding to other agencies to finance energy efficiency and water conservation facility improvement projects.

State Building Renewable Energy Production Account

General Fund Cash 5,000

The Governor recommends \$5 million to fund renewable energy investments for state facilities. Agencies would apply for this funding to make improvements to their facilities designed to reduce the energy use and long-term operating costs of the facilities.

State Fleet Electric Vehicle Charging Infrastructure

General Fund Cash 5,000

The Governor recommends \$5 million to expand the state's electric vehicle charging infrastructure by installing additional charging stations in state-owned facilities across the state.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Administration

Capitol Complex Security Upgrades Phase II

	General Obligation Bonds	33,400
	General Fund Cash	13,000
	Total:	46,400

The Governor recommends a total of \$46.4 million for design, construction and equipment to increase physical security in and around the Capitol Complex. This project incorporates recommendations of the Advisory Committee on Capitol Area Security.

ADA Building Accommodation Fund

	General Fund Cash	1,000
--	-------------------	-------

The Governor recommends \$1 million to correct physical issues in state buildings that hinder the public's access to state services and employment. The Minnesota Council on Disability will review and recommend state governmental entities' requests for project funds.

	General Obligation Bonds	44,526
	General Fund Cash	47,000
Administration Total		91,526

Agriculture

MDA East Grand Forks Building Repair

	General Obligation Bonds	317
	General Fund Cash	60
	Total:	377

The Governor recommends \$377,000 to renovate the MDA potato inspection facility located in East Grand Forks. This building is used primarily for potato-related services, including Seed Potato Certification, laboratory testing for pathogens, potato cyst nematode surveys, USDA shipping point inspections, federal crop insurance grading, and sampling.

	General Obligation Bonds	317
	General Fund Cash	60
Agriculture Total		377

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Amateur Sports Commission

NSC Asset Preservation

	General Obligation Bonds	10,800
--	--------------------------	--------

The Governor recommends \$10.8 million for asset preservation for projects at the National Sports Center (NSC) in Blaine. These projects are intended to ensure the safety and health of participants and staff using the Center's facilities. The National Sports Center has an estimated \$70 million in deferred maintenance needs.

Mighty Ducks Grant Program

	General Obligation Bonds	1,000
--	--------------------------	-------

The Governor recommends \$1 million to provide grants to local communities to upgrade ice arenas, primarily through replacing refrigerant and improving air quality. This would help communities meet safety guidelines for arenas, as well as make other improvements.

St. Paul Regional Sports Center Predesign

	General Obligation Bonds	295
--	--------------------------	-----

The Governor recommends \$295,000 to predesign a Regional Sports Center in St. Paul. This center will be a four-field complex that can accommodate soccer, rugby, lacrosse, and other field sports. The purpose of these regional centers is to increase sports participation, as well as promote sports tourism and economic benefit.

	General Obligation Bonds	12,095
Amateur Sports Commission Total		12,095

Corrections

Asset Preservation

	General Obligation Bonds	58,133
	General Fund Cash	5,174
	Total:	63,307

The Governor recommends \$58.133 million in general obligation bonds and \$5.174 million in general fund cash for asset preservation to repair and renew correctional facilities around the state. This includes, but is not limited to, safety hazards and code compliance issues, perimeter security systems upgrades, tuck pointing, roof replacement, window and door replacement, and abatement of hazardous materials. The general fund dollars will fund non-bondable asset preservation project costs, including safety and security enhancements. The DOC deferred maintenance backlog is an estimated \$644 million.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Corrections

MCF-Faribault Dakota Building Renovation and Addition

	General Obligation Bonds	8,003
--	--------------------------	-------

The Governor recommends \$8.003 million to demolish a two story building that is in crisis condition, renovate the Dakota building, and construct an addition to accommodate support functions and programming at the Faribault Correctional Facility. The new space will house programming such as religious services, education, training for transition to the community, and treatment.

MCF-Shakopee Programming Space Addition and Interior Renovation

	General Obligation Bonds	15,164
--	--------------------------	--------

The Governor recommends \$15.164 million to expand and renovate the Shakopee Correctional Facility. The new space will accommodate more programming and support functions including education and family support services.

MCF-Lino Lakes-Building E Renovation and Repurposing

	General Obligation Bonds	6,358
--	--------------------------	-------

The Governor recommends \$6.358 million to renovate vacant space at the Lino Lakes Correctional Facility. This project will accommodate more programming by adding flexible classroom space and space for support staff.

	General Obligation Bonds	87,658
	General Fund Cash	5,174
Corrections Total		92,832

Education

Library Construction Grants

	General Obligation Bonds	1,000
--	--------------------------	-------

The Governor recommends \$1 million for the Library Construction competitive grant program. This program enables public libraries receiving funding to improve access and meet ADA compliance standards by removing architectural barriers and replacing deficient facilities.

	General Obligation Bonds	1,000
Education Total		1,000

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Employment and Economic Development

Business Development Public Infrastructure Grant Program (BDPI)

	General Obligation Bonds	7,000
--	--------------------------	-------

The Governor recommends \$7 million for the Business Development Public Infrastructure (BDPI) program. BDPI is a competitive grant program that provides cities in Greater Minnesota with up to 50% of public infrastructure costs necessary to support economic development. Eligible public infrastructure projects include sewers, streets, wastewater collection and treatment, drinking water, and utility extensions.

Transportation Economic Development Infrastructure Program (TEDI)

	General Obligation Bonds	4,000
--	--------------------------	-------

The Governor recommends \$4 million for the Transportation Economic Development Infrastructure (TEDI) program. TEDI is a statewide, competitive grant program that provides communities up to 100% of road and public infrastructure project costs to support economic development, private investment, and create jobs. TEDI can be combined with the Minnesota Department of Transportation's Transportation Economic Development (TED) program.

Innovative Business Development Public Infrastructure Grant Program (IBDPI)

	General Obligation Bonds	1,000
--	--------------------------	-------

The Governor recommends \$1 million for the Innovative Business Development Public Infrastructure (IBDPI) program. IBDPI is a statewide competitive grant program that provides local government units with up to 50% of public infrastructure costs necessary to support economic development in innovative industries. Eligible public infrastructure projects include sewers, streets, utility extensions, land acquisition, and telecommunications.

Funding for the Administration of Local Grants

	General Fund Cash	520
--	-------------------	-----

The Governor recommends \$520,000 to administer local project grants included in the Governor's 2022 Capital Budget Recommendations.

	General Obligation Bonds	12,000
	General Fund Cash	520
Employment and Economic Development Total		12,520

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Historical Society

Historic Sites Asset Preservation

	General Obligation Bonds	9,900
	General Fund Cash	275
	Total:	10,175

The Governor recommends a total of \$10.175 million for preservation and restoration of historic structures, landscapes, and building systems in the State Historic Sites Network and for monuments located statewide. Projects are prioritized based on long range planning, building analysis, and structural conditions. These sites have a total estimated \$67 million in deferred maintenance needs.

County and Local Historic Preservation Grants

	General Obligation Bonds	750
--	--------------------------	-----

The Governor recommends \$750,000 for grants to preserve historic assets owned by county and local entities. This program leverages local funding to preserve historic structures such as depots, senior and community centers, schools, bridges, theaters, park buildings, museums, water towers, and township halls.

	General Obligation Bonds	10,650
	General Fund Cash	275
Historical Society Total		10,925

Housing Finance

Housing Infrastructure Bonds

	Appropriation Bonds	250,000
--	---------------------	---------

The Governor recommends authorizing the Minnesota Housing Finance Agency to sell \$250 million in Housing Infrastructure Bonds and recommends a corresponding appropriation of up to \$20 million annually for 20 years from the general fund to pay the debt service on the bonds. Funds will be awarded through competitive request for proposal processes to for-profit developers, non-profit developers, Indian Tribes or tribal housing corporations, and local units of government for supportive housing, preservation, senior housing, single family development, and manufactured home communities. The Governor also recommends expanding the eligible uses of Housing Infrastructure Bonds to include new construction of rental housing for households with incomes at or below 50% of area median income.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Housing Finance

Public Housing Rehabilitation

	General Obligation Bonds	60,000
--	--------------------------	--------

The Governor recommends \$60 million for the Public Housing Rehabilitation program to preserve existing public housing and keep it safe and healthy for residents. Funds are awarded statewide on a competitive basis to local public housing authorities for improvements in fire suppression systems, accessibility improvements, heating and cooling systems, building envelopes, energy efficient windows, elevators, and other critical health and safety items.

	General Obligation Bonds	60,000
	Appropriation Bonds	250,000
Housing Finance Total		310,000

Human Services

Sunrise & Tomlinson Building Renovation

	General Obligation Bonds	17,800
--	--------------------------	--------

The Governor recommends \$17.8 million to design, remodel, construct, and equip buildings for the Minnesota Sex Offender Program on the St. Peter campus. This project will renovate 63,335 square feet in the Sunrise and Tomlinson building and expand capacity in the program's Community Preparation Services. This additional capacity will allow more individuals to be served in less restrictive settings, allowing DHS to comply with court-ordered transfers out of the secured perimeter and additional clients to participate in reintegration programming.

Early Childhood Facilities

	General Obligation Bonds	5,000
	General Fund Cash	5,375
	Total:	10,375

The Governor recommends \$10 million for Early Childhood Facilities grants to political subdivisions, nonprofits, and tribal governments to construct and renovate early childhood facilities. The purpose of this funding is to ensure families have access to early childhood programs housed in safe facilities. DHS will select projects through a RFP process and require a 50% non-state match. The Governor also recommends \$375,000 in general fund dollars for program administration.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Human Services

Anoka Miller Building Phase I

General Obligation Bonds	13,450
--------------------------	--------

The Governor recommends \$13.45 million for the Anoka Metro Regional Treatment Center (AMRTC) to remodel the north and south wings of the Miller building. This remodeling will allow this vacant space to be used to serve patients with substance use disorder. This project is Phase I of a multi-phase effort to remodel this building on the AMRTC campus. This phased renovation allows for safety and client service improvements without disrupting operations.

St. Peter Water and Sewer Upgrades

General Obligation Bonds	10,400
--------------------------	--------

The Governor recommends \$10.4 million to upgrade and replace the water, sanitary and storm sewer infrastructure at the St. Peter Campus. These systems have exceeded their useful life and their replacement will ensure 1,100 clients and staff have access to functioning and safe water infrastructure.

DCT Energy Upgrades

General Fund Cash	8,600
-------------------	-------

The Governor recommends \$8.6 million in general fund cash to design and install renewable energy systems at the Anoka Metro Regional Treatment Center (AMRTC), the St. Peter campus, and the Moose Lake campus.

Emergency Shelter Facilities

General Fund Cash	72,006
-------------------	--------

The Governor recommends \$72.006 million to establish Emergency Shelter Facilities grants for local governments, nonprofits, and tribal governments for capital enhancements to existing shelters or to acquire new shelter space across the states. The Department will use \$2.006 million of this appropriation to cover the operating costs of administering the remaining \$70 million for the grant program.

Asset Preservation

General Obligation Bonds	7,400
--------------------------	-------

The Governor recommends \$7.4 million for asset preservation needs at DHS facilities throughout Minnesota to ensure they are functional, safe and in good repair. The Department's total estimated deferred maintenance needs are \$165 million.

Johnson Hall Demolition

General Fund Cash	475
-------------------	-----

The Governor recommends \$475,000 in general fund cash to demolish Johnson Hall, a 23,822 square foot building on the St. Peter campus. This building has been vacant since 2017. This building is no longer needed by the department and the most recent Facility Condition Assessment rated the building with a "Poor" condition rating.

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Human Services

Security Systems Upgrades

	General Fund Cash	5,484
--	-------------------	-------

The Governor recommends \$5.484 million to add new and or upgrade current security systems, communications and security monitoring systems at Direct Care and Treatment (DCT) facilities. These improvements will enhance the security and safety of patients and staff within the state operated facilities.

	General Obligation Bonds	54,050
	General Fund Cash	91,940
Human Services Total		145,990

Iron Range Resources and Rehabilitation

Water Line Replacement

	General Obligation Bonds	10,191
--	--------------------------	--------

The Governor recommends \$10.191 million to upgrade, construct, and support a new infrastructure system for the snow making process at Giants Ridge. The project will increase efficiency, restore failing underground infrastructure, enhance safety on the hill during snow making operations, and aid in fire suppression.

	General Obligation Bonds	10,191
Iron Range Resources and Rehabilitation Total		10,191

Management and Budget

Bond Sale Expenses

	General Obligation Bonds	2,056
	Trunk Highway Bonds	150
	Total:	2,206

The Governor recommends a total of \$2.206 million to cover expenses associated with the bond sales necessary to fund the projects included in the Governor's 2022 capital budget recommendations.

	General Obligation Bonds	2,056
	Trunk Highway Bonds	150
Management and Budget Total		2,206

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Metropolitan Council

Busway Capital Improvement Program Bus Rapid Transit

	General Obligation Bonds	60,000
--	--------------------------	--------

The Governor recommends \$60 million for design, environmental work, acquisition of right-of-way, engineering, and construction along regional busway corridors.

Regional Parks and Trails Grant Program

	General Obligation Bonds	3,000
--	--------------------------	-------

The Governor recommends \$3 million to improve and expand the metropolitan regional parks and trails system. The funds will be partially matched by the Metropolitan Council.

Inflow and Infiltration Grant Program

	General Obligation Bonds	5,000
--	--------------------------	-------

The Governor recommends \$5 million for grants to municipalities for public infrastructure improvements to reduce inflow and infiltration into local and regional wastewater collection systems.

Funding for the Administration of Local Grants

	General Fund Cash	165
--	-------------------	-----

The Governor recommends \$165,000 to administer local project grants included in the Governor's 2022 Capital Budget Recommendations.

	General Obligation Bonds	68,000
	General Fund Cash	165
Metropolitan Council Total		68,165

Military Affairs

Additional funding for Marshall, Rosemount, Moorhead, & Fergus Falls Readiness Centers

	General Obligation Bonds	5,975
--	--------------------------	-------

The Governor recommends \$5.975 million to cover additional costs that have arisen for renovation projects approved in the 2020 bonding bill. Funding was appropriated for renovation projects at the readiness centers in Marshall, Rosemount, Moorhead, and Fergus Falls but rising costs have made the funding appropriated insufficient to complete the projects.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Military Affairs

Rosemount Readiness Center

	General Obligation Bonds	20,600
--	--------------------------	--------

The Governor recommends \$20.6 million for a major renovation to the 99,522 sq. ft. Rosemount Readiness Center. The renovation will improve its functionality, better accommodate the assigned units, and sustain the facility into future years.

	General Obligation Bonds	26,575
Military Affairs Total		26,575

Minnesota State

Higher Education Asset Preservation and Replacement (HEAPR)

	General Obligation Bonds	118,400
--	--------------------------	---------

The Governor recommends \$118.4 million for Higher Education Asset Preservation and Replacement funding to repair and replace buildings across the Minnesota State system. The funds will go to exterior updates, HVAC, and safety features. Minnesota State's total current deferred maintenance needs are estimated to be \$1.2 billion for state-supported buildings.

Minnesota State University Moorhead - Weld Hall, Renovation and Addition

	General Obligation Bonds	12,699
	GO Bonds-MnState User Financing	6,349
	Total:	19,048

The Governor recommends \$19.048 million to renovate and for an addition to Weld Hall at Minnesota State University Moorhead. The project will address significant deferred maintenance, improve teaching, and rightsize classrooms. This project will eliminate \$8.2 million in deferred maintenance.

Inver Hills Community College - Technology and Business Center, Renovation and Addition

	General Obligation Bonds	12,058
	GO Bonds-MnState User Financing	6,029
	Total:	18,087

The Governor recommends \$18.087 million to renovate the Business Building and to construct a connection to Heritage Hall at Inver Hills Community College. This project increases classroom sizes and will co-locate nearly all of the Science, Technology, Engineering, and Math academic programs on campus. This project will eliminate \$8 million in deferred maintenance.

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Minnesota State

Minneapolis College - Management Education Center Metro Baccalaureate Initiative, Renovation

	General Obligation Bonds	11,292
	GO Bonds-MnState User Financing	5,646
	Total:	16,938

The Governor recommends \$16.938 million to renovate the Management Education Center, which renews a building with a damaged roof and failing HVAC systems. The space will serve business, management, and economics students attending the two-year Minneapolis College and four-year Metropolitan State University. This project will eliminate \$8.6 million in deferred maintenance.

Pine Technical and Community College - Technical Trade Labs, Renovation and Addition

	General Obligation Bonds	9,270
	GO Bonds-MnState User Financing	4,636
	Total:	13,906

The Governor recommends \$13.906 million for the renovation and construction of technical/trades labs, classrooms, faculty space, health sciences spaces and student support space at Pine Technical and Community College. This project will eliminate \$276,000 in deferred maintenance.

Saint Paul College - Academic Excellence Renovation, Design

	General Obligation Bonds	933
	GO Bonds-MnState User Financing	466
	Total:	1,399

The Governor recommends \$1.399 million to design the renovation of classroom space on the St. Paul College campus. This project will update classrooms and labs, create new Food Service and Culinary food preparation demonstration and service areas, and consolidate Student Services. Once completed, this project will eliminate \$6.3 million in deferred maintenance.

Vermilion Community College - Classroom Building, Design and Renovation

	General Obligation Bonds	2,013
	GO Bonds-MnState User Financing	1,006
	Total:	3,019

The Governor recommends \$3.019 million to design and renovate six general purpose classrooms within the Classroom Building and the College Center. The project creates flexible adaptive learning environments, increases technological capabilities, renovates two sets of restrooms, adjacent corridors and lobby areas, creates a new entryway, and replaces the Classroom Building roof. This project will eliminate \$1.2 million in deferred maintenance.

--	----------------	-----------------------

Minnesota State

Central Lakes College - Student Services and Academic Support, Design and Renovation

General Obligation Bonds	6,345
GO Bonds-MnState User Financing	3,174
Total:	9,519

The Governor recommends \$9.519 million to design and renovate student services and academic support spaces, as well as the physical education and athletic facilities on the Central Lakes College campus. This project will eliminate \$558,000 million in deferred maintenance.

Northland Community and Technical College - Effective Teaching and Learning Labs, Design and Renovation

General Obligation Bonds	1,806
GO Bonds-MnState User Financing	904
Total:	2,710

The Governor recommends \$2.71 million for the design and renovation of space to consolidate and expand the Early Childhood and Education Program, Pharmacy Technology Program, Respiratory Therapist Program and Computer and Networking Technology Program within the existing building footprint. This project will eliminate \$887,000 in deferred maintenance.

Minnesota State University, Mankato - Armstrong Hall Replacement

General Obligation Bonds	4,722
GO Bonds-MnState User Financing	2,361
Total:	7,083

The Governor recommends \$7.083 million for design and renovation to prepare for the replacement of Armstrong Hall, a heavily-used, outdated building. The first phase would complete design and renovate the Clinical Sciences basement to accommodate some occupants of Armstrong Hall. Once completed, this project will eliminate \$26.9 million in deferred maintenance.

Winona State University - Center for Interdisciplinary Collaboration, Engagement, and Learning, Design

General Obligation Bonds	2,826
GO Bonds-MnState User Financing	1,414
Total:	4,240

The Governor recommends \$4.24 million for design of a net-zero energy building that would replace two older buildings. The net-zero energy building will use a solar array and geothermal energy to power the building. It will contain flexible classroom space and student support services. Once completed, this project will eliminate \$10.3 million in deferred maintenance.

Minnesota State

Lake Superior College, Integrated Manufacturing Workforce Labs, Design

General Obligation Bonds	703
GO Bonds-MnState User Financing	352
Total:	1,055

The Governor recommends \$1.055 million for design of a new integrated manufacturing workforce lab. The Lake Superior campus currently rents space for this program. Once completed, this project will eliminate \$2.8 million in deferred maintenance.

North Hennepin Community College - Center for Innovation & the Arts at Brooklyn Park, Design

General Obligation Bonds	5,065
GO Bonds-MnState User Financing	2,533
Total:	7,598

The Governor recommends \$7.598 million to design the demolition of the Fine Arts Center and construction of a new arts education studio, classrooms and performing arts space. Once completed, this project will eliminate \$6.2 million in deferred maintenance.

Metropolitan State University - Cyber Security Program, Design and Renovation

General Obligation Bonds	2,862
GO Bonds-MnState User Financing	1,430
Total:	4,292

The Governor recommends \$4.292 million for the design and renovation of a cyber security teaching and research lab. This project would relocate a cyber security simulation facility and add research space. This project will eliminate \$3.3 million in deferred maintenance.

Alexandria Technical and Community College - Transportation Center & Campus Center Relocation, Design

General Obligation Bonds	554
GO Bonds-MnState User Financing	278
Total:	832

The Governor recommends \$832,000 for the design of a state of the art Transportation Center for the Diesel Mechanics and Professional Truck Driver programs. Once completed, this project will eliminate \$4.3 million in deferred maintenance.

Minnesota State

Riverland Community College - Student Services, Design and Renovation

General Obligation Bonds	6,616
GO Bonds-MnState User Financing	3,308
Total:	9,924

The Governor recommends \$9.924 million for the design and renovation of the Austin East Campus to create a Student Services Hub to serve as a student center of operations. This project will eliminate \$1.2 million in deferred maintenance.

Southwest Minnesota State University - Wellness and Human Performance Center, Design

General Obligation Bonds	771
GO Bonds-MnState User Financing	385
Total:	1,156

The Governor recommends \$1.156 million for the design of the Wellness and Human Performance Center, which consolidates and updates existing student and classroom spaces. Once completed, this project will eliminate \$16.7 million in deferred maintenance.

St. Cloud State University - Education and Learning Design Complex, Design and Renovation

General Obligation Bonds	2,991
GO Bonds-MnState User Financing	1,496
Total:	4,487

The Governor recommends \$4.487 million for the design and renovation of Phase I of the multi-phase Education and Learning Design Complex project. Phase I designs the new School of Education Building and Early Learning Center building, and designs and renovates existing space for the School of Health and Human Services (SHHS) relocation. Once completed, this project will eliminate \$12.7 million in deferred maintenance.

Rochester Community and Technical College - Heintz Center, Design

General Obligation Bonds	898
GO Bonds-MnState User Financing	449
Total:	1,347

The Governor recommends \$1.347 million to design the renovation and renewal of the Heintz Center to modernize spaces for Career and Technical Education (CTE) programs. Once completed, this project will eliminate \$1.5 million in deferred maintenance.

Minnesota Zoo

Renovate Animal Hospital

	General Obligation Bonds	8,000
--	--------------------------	-------

The Governor recommends \$8 million to renovate the zoo's animal hospital by repairing the exterior structure, replacing HVAC systems and electrical services, updating veterinary technology and workspaces, and adding an ambulance bay for safe animal transport.

Asset Preservation

	General Obligation Bonds	12,600
--	--------------------------	--------

The Governor recommends \$12.6 million in asset preservation funding for the Zoo, which will prioritize replacement of the lakeside plaza, major repairs of animal exhibits and support buildings, improvements to outdated mechanical, electrical, and plumbing systems, and major repairs and replacement of deteriorated bridges, trails, and roads. The Zoo's estimated total deferred maintenance need is \$48 million.

	General Obligation Bonds	20,600
Minnesota Zoo Total		20,600

Natural Resources

Natural Resources Asset Preservation

General Obligation Bonds	110,800
--------------------------	---------

The Governor recommends \$110.8 million for major repairs and renovations of DNR capital assets, including buildings, roads, trails, public water accesses, bridges, and recreational facilities. The renovations will help to ensure the assets are safe and functional for the recreating public, support the conservation of Minnesota's natural resources, and preserve the state's existing investments. The DNR's estimated total deferred maintenance for buildings alone is \$153 million.

Natural Resources Betterment of Buildings

General Obligation Bonds	36,400
--------------------------	--------

The Governor recommends \$36.4 million to reconstruct or replace DNR offices, buildings, and other facilities that are unsafe or obsolete to create a safe workplace and better serve Minnesotans. This includes expanded mineral drill core storage, renewal and replacement efforts at fish hatcheries, and modernizing components of the state forest nursery.

Natural Resources Acquisition and Betterment of Public Lands

General Obligation Bonds	15,000
--------------------------	--------

The Governor recommends \$15 million to acquire and improve state lands to conserve and manage Minnesota's natural resources and enrich outdoor recreational opportunities.

Wildfire Aviation Infrastructure

General Obligation Bonds	7,800
--------------------------	-------

The Governor recommends \$7.8 million to renovate and construct wildfire aviation infrastructure in Hibbing and Brainerd, which will allow the DNR to better respond to wildfires.

Improving Accessibility to State Parks, Recreation Areas, and Wildlife Management Areas

General Obligation Bonds	5,000
--------------------------	-------

The Governor recommends \$5 million to complete accessibility projects at William O'Brien State Park and initiate projects at an additional state park and wildlife management area.

Dam Safety Repair, Reconstruction or Removal

General Obligation Bonds	8,000
--------------------------	-------

The Governor recommends \$8 million for the repair, reconstruction, or removal of dams, and for response to dam safety emergencies. Minnesota's dam infrastructure consists of nearly 800 publicly owned dams.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Natural Resources

Flood Hazard Mitigation Grant Assistance Program

	General Obligation Bonds	20,000
--	--------------------------	--------

The Governor recommends \$20 million for cost-share grants to local governments, including cities, counties, and watershed districts, for projects that reduce flood risk. These projects include purchasing and removing damaged and at-risk residential structures from the floodplain, and constructing levees, pumping stations, and multi-purpose flood impoundments.

Lake Vermilion-Soudan Underground Mine State Park

	General Obligation Bonds	12,000
--	--------------------------	--------

The Governor recommends \$12 million for the design and construction of recreational opportunities and supporting infrastructure at Lake Vermilion-Soudan Underground Mine State Park. This includes construction of the Lake Lodge Visitor Center, design of the South Vermilion Ridge Campground, rehabilitation of an existing fire tower, parking, trail design, and construction of a renewable energy source.

Parks and Trails Local and Regional Grant Program

	General Obligation Bonds	1,000
--	--------------------------	-------

The Governor recommends \$1 million to provide competitive grants to local governments for acquisition and development of local and regional parks and trails across the state.

Community Tree Planting Grants

	General Obligation Bonds	5,000
--	--------------------------	-------

The Governor recommends \$5 million to provide grants to communities to minimize the damage to forests and to replace trees damaged by shade tree pests or disease.

Upper Sioux Agency State Park Bond Defeasance

	General Fund Cash	250
--	-------------------	-----

The Governor recommends \$250,000 to provide the funds necessary to repay previous general obligation bond investments in the Upper Sioux Agency State Park and other associated financing costs.

Funding for the Administration of Local Grants

	General Fund Cash	185
--	-------------------	-----

The Governor recommends \$185,000 to administer local project grants included in the Governor's 2022 Capital Budget Recommendations.

	General Obligation Bonds	221,000
	General Fund Cash	435
Natural Resources Total		221,435

Perpich Center for Arts Education

Asset Preservation

	General Obligation Bonds	3,000
--	--------------------------	-------

The Governor recommends \$3 million for asset preservation to update, repair, and replace various building systems. The Perpich Center's estimated total deferred maintenance needs are \$8 million.

	General Obligation Bonds	3,000
Perpich Center for Arts Education Total		3,000

Pollution Control

Local Government Stormwater Construction Grants

	General Obligation Bonds	20,000
	General Fund Cash	1,100
	Total:	21,100

The Governor recommends \$21.1 million for the Local Government Stormwater Construction Grants program to provide grants to municipalities to build sustainable and resilient stormwater infrastructure. Preference will be given to projects that accomplish local climate goals, improve water quality, or minimize the risks from extreme weather events. Of this amount, \$20 million in general obligation bonds is for grants and \$1.1 million in general fund cash is for program administration.

Statewide Electric Vehicle (EV) Charging Infrastructure

	General Fund Cash	13,800
--	-------------------	--------

The Governor recommends \$13.8 million for the state to install and provide grants to local governments and tribes to install a network of electric vehicle charging infrastructure. The grants will purchase fast-charging stations in areas lacking charging sites and with high charging demand. Of this amount, \$600,000 is for program administration.

Capital Assistance Program: Organics Capacity

	General Obligation Bonds	10,000
--	--------------------------	--------

The Governor recommends \$10 million for a competitive grant program to build or expand facilities for food rescue, composting, anaerobic digestion, and transfer capacity for organics as part of MPCA's capital assistance program.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Pollution Control

Addressing Legacy Contaminants: Red Oak Neighborhood, City of Andover

General Obligation Bonds	12,000
--------------------------	--------

The Governor recommends \$12 million to cover planned design and construction costs for new municipal water mains in an area of Andover where testing has found contamination in private drinking water wells. Extending the municipal water system will supply additional residents with safe drinking water. The mitigation and monitoring plan will outline the specific areas connected based on sampling results.

Capital Assistance Program: Pope Douglas Solid Waste Management

General Obligation Bonds	5,953
--------------------------	-------

The Governor recommends \$5.953 million for phase 2 of the expansion and renovation of the Pope Douglas advanced Material Recovery Facility as part of MPCA's capital assistance program. This phase renovates the existing Material Recovery Facility to add additional space for the installation of advanced processing equipment and doubles the size of the tipping floor to better process waste.

Capital Assistance Program: Dakota and Scott County

General Obligation Bonds	3,800
--------------------------	-------

The Governor recommends \$3.8 million for phase 2 of a project to construct and equip a new household hazardous waste collection and recycling facility for Dakota and Scott counties as part of MPCA's capital assistance program.

Continuous Nitrate Sensor Network

General Fund Cash	1,000
-------------------	-------

The Governor recommends \$1 million to purchase and install nitrate sensors to develop a continuous nitrate monitoring network to support MPCA's state nutrient reduction strategy. The sensors will monitor major watershed and basin pour points in the Mississippi, Red River, and St. Louis River basins.

Capital Assistance Program: Olmsted County

General Obligation Bonds	10,000
--------------------------	--------

The Governor recommends \$10 million to build a new materials recovery facility in Olmsted County as part of MPCA's capital assistance program. The building is an addition to the existing waste-to-energy facility and will reclaim materials and remove problematic items from the waste stream.

Capital Assistance Program: Polk County

General Obligation Bonds	2,400
--------------------------	-------

The Governor recommends \$2.4 million to expand the Polk County materials recovery facility as part of MPCA's capital assistance program. The facility will install robotic sorters, a more efficient bag opener, and equipment to recover materials from residual streams for reuse, composting, or recycling.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Pollution Control

Capital Assistance Program: Chisago County

	General Obligation Bonds	281
--	--------------------------	-----

The Governor recommends \$281,000 for upgrades to the Chisago County household hazardous waste facility as part of MPCA's capital assistance program. The project will improve traffic flow, add cold storage for supplies, dedicate a reuse shopping area, renovate the warehouse, and improve safety.

Capital Assistance Program: Cass County

	General Obligation Bonds	2,000
--	--------------------------	-------

The Governor recommends \$2 million to demolish the existing Cass County transfer station and replace it with a new building to house mixed paper recycling operations, household hazardous waste operations, and office space as part of MPCA's capital assistance program.

	General Obligation Bonds	66,434
	General Fund Cash	15,900
Pollution Control Total		82,334

Public Facilities Authority

Water Infrastructure Initiative: State Match for Federal Grants to State Revolving Fund Loan Programs

	General Obligation Bonds	49,000
--	--------------------------	--------

The Governor recommends \$49 million to match EPA funds and federal infrastructure bill funding, and to increase lending capacity in the Clean Water and Drinking Water Revolving Funds. State and federal funds are used with loan repayments and Public Facilities Authority revenue bonds to provide low interest loans to communities for clean water and drinking water infrastructure projects statewide. Eligible projects are prioritized based on environmental and public health criteria. The Governor also recommends amending Drinking Water Revolving Fund statutes: for loans, setting the lead service line interest rate at 0%; for federal principal forgiveness grants: removing the 50% limitation on grant funding and the \$250,000 maximum grant per project, and making funding available for both private and public owned lead service lines.

Water Infrastructure Initiative: Water Infrastructure Funding Program

	General Obligation Bonds	76,000
--	--------------------------	--------

The Governor recommends \$76 million for the Water Infrastructure Funding (WIF) program which provides supplemental assistance grants to communities that meet affordability criteria and receive Public Facilities Authority loans or water financing from the U.S. Department of Agriculture's Rural Development program. These grants help communities build clean water and drinking water infrastructure projects while keeping costs affordable for residents. The Governor also recommends increasing the maximum grant award for projects under WIF from \$5 million to \$8 million per project.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Public Facilities Authority

Water Infrastructure Initiative: Point Source Implementation Grants Program

General Obligation Bonds	75,000
--------------------------	--------

The Governor recommends \$75 million for the Point Source Implementation Grants (PSIG) program which provides grants to communities to help pay for water treatment plant upgrades to address water quality restoration and protection goals. These grants help communities construct wastewater, storm water, and drinking water treatment projects when the Pollution Control Agency determines that higher levels of treatment are necessary to meet water quality goals.

	General Obligation Bonds	200,000
Public Facilities Authority Total		200,000

Public Safety

BCA Southern Minnesota Regional Office and Laboratory

General Obligation Bonds	39,200
--------------------------	--------

The Governor recommends \$39.2 million for a new Bureau of Criminal Apprehension regional office and laboratory facility in Mankato. Funding will be used to acquire land, design, construct, furnish and equip the new facility, which will provide investigatory and laboratory analysis for criminal investigations in the southern region of Minnesota.

BCA Maryland Building Improvements

General Obligation Bonds	5,000
--------------------------	-------

The Governor recommends \$5 million for security upgrades and to build out 7,600 square feet of unfinished space in the Bureau of Criminal Apprehension headquarters building in St. Paul. This project would add a security fence around the building to comply with a US Department of Homeland Security security assessment, and would add about 45 offices and workstations to accommodate current staff and operating needs.

Funding for the Administration of Local Grants

General Fund Cash	130
-------------------	-----

The Governor recommends \$130,000 to administer local project grants included in the Governor's 2022 Capital Budget Recommendations.

Additional Funding for State Emergency Operations Center

General Obligation Bonds	10,000
--------------------------	--------

The Governor recommends \$10 million to add to available funding for a new State Emergency Operations Center and Homeland Security and Emergency Management Office. This is in addition to the funding already appropriated for the project and allows for unexpectedly increased costs.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
Public Safety		
	General Obligation Bonds	54,200
	General Fund Cash	130
Public Safety Total		54,330

State Academies

Minnesota State Academies Dorm Renovations and Predesign

	General Obligation Bonds	6,500
--	--------------------------	-------

The Governor recommends \$6.5 million for predesign, design, and renovation of four dorm buildings - Pollard Hall on State Academy for the Deaf's campus, and Kramer, Brandeen, and Rode Dorms on the State Academy for the Blind's campus. This project would make the dorms accessible, upgrade mechanical and safety systems, and add laundry and kitchen facilities.

Minnesota State Academies Student Center Predesign

	General Obligation Bonds	200
--	--------------------------	-----

The Governor recommends \$200,000 for predesign to replace two buildings housing the gym and multipurpose room on the Minnesota State Academy for the Deaf campus. The current facilities are not accessible to all students, not energy efficient, and require significant upkeep.

Asset Preservation

	General Obligation Bonds	2,300
--	--------------------------	-------

The Governor recommends \$2.3 million for asset preservation funding to update, repair, and replace buildings and building systems at the Minnesota State Academies. The State Academies' estimated total deferred maintenance need is \$24 million.

	General Obligation Bonds	9,000
State Academies Total		9,000

Transportation

High Priority Bridges

	Trunk Highway Bonds	80,000
--	---------------------	--------

The Governor recommends \$80 million for investments in high-priority trunk highway bridges, including construction capital costs, project development, and engineering activities.

2022 Governor's Capital Budget Recommendations

(\$ in Thousands)

	Funding Source	Recommendation Amount
--	----------------	-----------------------

Transportation

Local Bridge Replacement Program

	General Obligation Bonds	120,000
--	--------------------------	---------

The Governor recommends \$120 million for the Local Bridge Replacement program. Grants to local governments provide funding to replace or rehabilitate small and large bridges.

Local Road Improvement Fund Grants

	General Obligation Bonds	90,000
--	--------------------------	--------

The Governor recommends \$90 million for the Local Road Improvement program. Grants to local governments provide funding for construction or reconstruction of local roads.

Highway Railroad Grade Crossing-Warning Devices Replacement

	General Obligation Bonds	5,000
--	--------------------------	-------

The Governor recommends \$5 million to replace aging or outdated railroad crossing gates and signal warning systems around the state.

Port Development Assistance Program

	General Obligation Bonds	5,000
--	--------------------------	-------

The Governor recommends \$5 million for the Port Development Assistance Program, which supports the infrastructure needs of publicly owned ports on the Great Lakes and inland river navigation systems. These grants provide up to 80% of project funding, with the remainder coming from local sources.

Safe Routes to School

	General Obligation Bonds	1,500
--	--------------------------	-------

The Governor recommends \$1.5 million for infrastructure projects that increase safe and convenient opportunities for children to walk and bicycle to school. Project examples include new or enhanced sidewalks and bicycle trails, ADA improvements, traffic diversion and speed reduction, and enhanced crosswalk devices and markings.

Active Transportation

	General Obligation Bonds	4,000
	General Fund Cash	1,000
	Total:	5,000

The Governor recommends \$5 million for active transportation infrastructure projects that improve safety and encourage walking and biking. Project examples include new or enhanced sidewalks and bicycle trails, ADA improvements, traffic diversion and speed reduction, and enhanced crosswalk devices and markings. In addition, a portion of the funding is to partner with Minnesota tribes to develop active transportation projects on reservations.

University of Minnesota

Higher Education Asset Preservation and Replacement (HEAPR)

General Obligation Bonds	141,800
--------------------------	---------

The Governor recommends \$141.8 million for asset preservation across the University of Minnesota's campuses. Asset preservation would focus on health, safety and accessibility, mechanical systems, utility infrastructure and energy efficiency, and building envelopes. Current total deferred maintenance for state supported buildings is \$2.3 billion.

Chemistry Undergraduate Teaching Laboratory

General Obligation Bonds	72,000
--------------------------	--------

The Governor recommends \$72 million to construct, furnish and equip a renovation of and an addition to Fraser Hall for an undergraduate chemistry teaching laboratory facility on the Twin Cities campus. The project includes the demolition of obsolete portions of Fraser Hall and will remove approximately \$21.5 million in deferred maintenance.

	General Obligation Bonds	213,800
University of Minnesota Total		213,800

Veterans Affairs

New Veterans Home Construction Cost Increase

General Obligation Bonds	10,329
--------------------------	--------

The Governor recommends \$10.329 million to add to available funding for the design, construction, furnishing, and equipping of new veterans homes in Bemidji, Montevideo, and Preston. This is in addition to the funding already appropriated for these homes and federal funding already received and allows for unexpectedly increased costs.

Hastings Veterans Home Campus Upgrade

General Obligation Bonds	59,656
--------------------------	--------

The Governor recommends \$59.656 million to replace the facility that houses the Veterans Domiciliary Program at the Veterans Home in Hastings. The improvements would provide updated facilities with private rooms and bathrooms along with more program and treatment spaces.

Asset Preservation

General Obligation Bonds	10,300
--------------------------	--------

The Governor recommends \$10.3 million for department-wide asset preservation. MDVA uses asset preservation funding to maintain and repair over one million square feet spread over dozens of buildings, some of which are over 100 years old, that house hundreds of client residents. MDVA has an estimated total of \$80 million in deferred maintenance needs.

Ain Dah Yung Center

General Fund Cash	2,200
-------------------	-------

The Governor recommends \$2.2 million for a grant to the Ain Dah Yung Center to renovate the Emergency Shelter and Youth Lodge. The renovations include critical repairs including tuckpointing, electric upgrades, ADA access, emergency fire escape, and bathroom renovation for the Emergency Shelter, which provides culturally responsive emergency shelter to Indigenous youth in crisis and in need of housing for ages 5-17. Critical repairs also include roof replacement, electric upgrades, and ADA access for the Youth Lodge, which is a residential transitional living program for youth ages 16-21. Both buildings' improvements will also benefit the health and welfare of the youth referred to the Center by child protection services. The total project cost is \$2.5 million.

Indian Health Board of Minneapolis, Inc.

General Fund Cash	4,000
-------------------	-------

The Governor recommends \$4 million for a grant to the Indian Health Board (IHB) of Minneapolis, Inc. to construct a medical and dental center on the IHB Menaandawiwe Medical Campus in South Minneapolis. The center will provide health care services and address the health needs of Native Americans in the Twin Cities. The total project cost is \$26.3 million.

Indigenous Peoples Task Force

General Fund Cash	2,500
-------------------	-------

The Governor recommends \$2.5 million for a grant to the Indigenous Peoples Task Force to construct a new building, the Mikwanedun Audisookon Center. The building will feature a café, kitchen, performing arts space, studio and workshop for training and entrepreneurial development, office space, and exhibit space. The total project cost is \$8 million.

Keystone Community Services

General Fund Cash	4,000
-------------------	-------

The Governor recommends \$4 million for a grant to Keystone Community Services to construct, furnish, and equip a new community food site in St. Paul. The site will be a hub for food distribution and other support services for Ramsey County residents. The total project cost is \$7.9 million.

Lower Phalen Creek Project

General Fund Cash	1,400
-------------------	-------

The Governor recommends \$1.4 million for a grant to the Lower Phalen Creek Project to construct the Wakan Tipi Center. The center will feature a reception area, classrooms, permanent and temporary exhibit space, a community gathering area, and gallery space. The total project cost is \$9.3 million.
