

# Housing Search List

## How to Use the Housing Search List

1. This list provides an overview of rental units that may have rent under or near voucher limits.
2. If the 'Rental Assistance' column is marked, this means they have accepted the Housing Choice Voucher (Section 8) in the past. Being on this list does not guarantee that they will accept HCV.
3. If the 'Elderly/Disabled' column is marked the building may have units designated for seniors or those that have a disability. If the 'Family' column is marked the building may have units with 2 or more bedrooms.
4. The 'Called' column is for you to keep track of who you have called.
