

Minnesota Master Naturalist Training

Big Woods, Big River

The mission of the Minnesota Master Naturalist Program is to promote awareness, understanding and stewardship of Minnesota's natural environment by developing a corps of well-informed citizens dedicated to conservation education and service within their communities.

Do you enjoy learning about the natural world? If so, consider becoming a Minnesota Master Naturalist volunteer!

This program will offer classes focused on one of our three major Minnesota Ecosystems: Big Woods, Big River

Olmsted County Parks, Chester Woods and Oxbow

Dates April 14 - May 19

Days Tuesdays and Thursdays and Times (6 p.m. to 8:30 p.m.)

plus two Saturday all-day field trips

April 25 and May 9

Cost for the course is \$295 and includes materials. Limited scholarships available
